

## Client Bill of Rights

Tim Thompson, CH  
Prosser, WA

By law, I am required to disclose certain information to my clients. This is for your protection.

I graduated from in 1989 with a degree in Psychology as well as graduating in 2001 with a Doctorate in Chiropractic.

Furthermore, I graduated from Banyan Hypnosis Center as a Certified 5-PATH Hypnotist. 5-PATH stands for 5 Phase Advanced Transformational Hypnosis. I am a Registered Hypnotherapist in the State of Washington and a certified Consulting Hypnotherapist through the National Guild of Hypnotists.

In my practice, I use hypnosis to help people discover the subconscious reasons for their symptoms, behaviors and/or habits. When these reasons are revealed, I use various tools and techniques to help clients release these unwanted behaviors, relearn positive new habits and move toward wellness. This is called hypnotherapy.

My fee is \$1500 for your session package. This is discounted pricing. Sessions typically last 60-90 minutes. All payments, including deposits, are non-refundable.

**Payment is expected at or before the time of the session.**

The session is confidential and that is your right by law, unless:

- You have given written consent stating otherwise
- You confess to a major crime or felony (no one can make you divulge secrets while in hypnosis)
- You are a minor and there is evidence of physical abuse
- There is a subpoena from the courts related to our sessions
- If there were charges brought against me for unprofessional conduct as described in the Washington State Uniform Disciplinary Code

If you have ever been treated unprofessionally by any hypnotherapist or any health care professional, you may report it to:
